NARRATIVE:

Vincent Tartaglini has an extensive adult criminal history that began at the age of 21. His convictions include receiving stolen property, burglary, grand theft, forgery, multiple attempted burglaries, terrorist threats, under the influence of a controlled substance, prohibited possession of ammunition, violation of firearm restriction, dissuade witness from reporting, possession of controlled substances, possession of hypodermic needles, theft of personal property and failing to report. He has served multiple state prison terms, the longest being a 4 year term for burglary. Tartaglini was released from state prison to the supervision of the Los Angeles County Probation Department on January 19, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2014 after he absconded from post release community supervision (PRCS). Tartaglini qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for attempted burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
